Islam's peace and tolerance: Lost in translation

On the 9th of June (Heraldsun Melb) we read that a Muslim insurgent group offered Iraqi Christians the option to convert, marry their daughters to Muslim fighters (carrying out their self-improving jihad against other Iraqis, Muslim or not!) pay the jizyah tax (levied on Jews/Christians and used for Muslims) or leave! Remaining means certain death. But this is not only the threat from 'insurgents', it is also the threat and practice of Sunni and Shiite groups in Iraq.

[To show Assyrians that Muslims mean business these two Assyrian Christian girls; Raphid Raad 6 and her sister Raneed 16, were shot at point blank range.](#)

[Hindus in Bangladesh](#) have also been given the option of conversion or death, and had their daughters raped and stolen, their homes burnt. Remember the tortured, beheaded Christians in modern Turkey and the genocide of 1 to 1.5 million Christian Armenians. Christian schoolgirls were beheaded in Indonesia, bombing of churches etc is frequent and in 2000/2001 many Christians were slaughtered, forced to convert and females genitally mutilated...What about Palestine where Christians suffer violence, rape, arson, vandalism and are rapidly disappearing? In Africa Arab Muslims kill, enslave, rape and take land from black Muslims, Christians, Animists and others eg Sudan, Chad.... And those bordering Muslim countries face constant violence eg Thailand, India... Note recent riots re Salman Rushdie, don't forget those cartoons and of course those lovely placards held by Muslims in Britain promising slaughter to Jews and Britons...

The entire Islamic world, its borders and satellites in the west are bloody!

Yet in Australia we are told Islam is a religion of peace, tolerance, equality and diversity (but they kill anyone who leaves Islam!). How long will we 'tolerate' or believe this garbage! Clearly the words mean something different to Muslims than they mean to us!

Islam doesn't mean peace, it means SUBMIT! Islamic peace only comes when Islam rules and others are destroyed or subjugated!
